MINUTES

INTELLIGENCE DEFINITIONS WORKING GROUP

13 December 1977

PROCEDURAL ITEMS:

1. The Treasury member noted that Treasury had been omitted from the definition of the NFIB. The correction appears in the latest agreed list. The list now also includes Defense and Justice.

2. FBI turned in its "existing glossary" candidate.

MINUTES:

1. The Chairman asked the Group to consider including a classified annex to the eventual glossary. No action required at this time.

2. The Chairman opened the meeting by calling for the four terms from the OPP list which were deferred at the previous meeting. The Group approved Advisory Tasking and DCID 1/2 Attachment. NSA asked for more time to develop Acoustical Intelligence. Army will explore Medical Intelligence and provide a candidate at a later meeting. The remaining terms on the OPP list were then completed with the exception of Political Intelligence, for which State will provide a more suitable candidate. The HRC candidate for Tasking was substituted for the OPP candidate.

3. The Treasury List was addressed and agreement reached on all terms except Information. The IHC member was asked to provide a candidate at a later meeting.

4. The next meeting will begin at 1330, 20 December 1977, Room 5S09, CHB.
